THE JOURNEY

A compact week. We start at Kalahari Sand Ridge Inn, our own guesthouse in Livingstone, and walk with rangers to track the endangered white rhinos of Mosi-oa-Tunya National Park. Then north into southern Kafue, Zambia's largest park: two nights above Lake Itezhi-Tezhi and two on the Kafue River, with game drives in sable and roan country and more than 500 bird species to look for. Your guide is also your driver and camp chef.
